THERE ARE A
THOUSAND YOU
IN A THOUSAND
PLACES.

At the same time, you are always being yourself,
on work or off work, for collaboration, independent
thinking or making decision in a meeting.

U series sofa draws its inspiration from the letter
"U" for its mellow shape, and the multifaceted
"YOU" is naturally revealed on U series sofa.

UR, RELAX

In a reclined posture,
enact the stretching and flexing of awakening animals.
Injecting new vitality into the sofa.
The letter "R" in shape interprets nature.

Feel the tranquility and freedom in every moment with your heart.

The backrest is refined edging,
like the continuous Kunlun Mountains.

The triple-proof linen is pure, leaving no trace of water.
The internal wrinkles are annotations of natural textures.

Why not indulge in a warm afternoon chat?

In moments of leisure, add a dash of relaxation and composure.

UR, like the sea,
extensive and inclusive, leisurely and carefree.

UR, like a forest,
feel pleasant and enjoy every breath.

No need to traverse mountains and hills. Sit on UR, and enjoy.

UU,
LIKE A
SMILING
MOUTH

The U-shaped contour offers an idyllic scene. Its shape looks like a pistachio, or a mouth wide open, laughing out loud.

Talk freely about the new trend on U series...

Monet's Impressionism tells the story

Sitting in UC, feel Monet's impressionism. Black and white U series is Monet's Water Lilies, quiet and elegant, while blackish green U series is Monet's Impression, Sunrise, natural and lively. With such sight in your eyes, you could free your imagination, and artistic taste for space is naturally revealed.

**Jacquard Weave Originated from Han Dynasty
Interwoven Landscape into the Picture**

Interweaving yarns with jacquard weave technique after dyeing is a very delicate and difficult procedure, with which the scene will be manifested after more than 1000 times of weaving. Using this technique, U series allows you enjoy the ink painting during casual chat.

Flower Painting

**One-piece Steel Leg,
Assemble or Disassemble at Your Convenience**

With fine tubular steel leg and 120-degree slant angle, comfort is assured. There are only 4 screws for fixing the legs, making it easier to assemble and disassemble.

UD GRACE

With a pen on one hand, and a glass of red wine on the other, sitting in UD and getting immersed in thinking while the music is on.
D-shape is UD's elegant silhouette.

"The process of design includes seeking, discovering, and creating beauty, which is an innate mission for designers."

—Designer of UD
CLAUDIO BELLINI DESIGN

As Château Lafite-Rothschild 1986 is classic for every red wine lover, UD may be the same to people who enjoy their personal space and time.

Uncluttered seat and smooth back bring UD its sleek appearance, showcasing an elegant and attractive space.

SEAMLESS CONNECTION

Capsule-shaped connecting part has no screws and redundant decoration, simple yet glamorous.

The upper connecting part of larger diameter envelops the lower part, and with the built-in gas lift mechanism equipped, a height of 3cm is reserved for buffering, perfectly fitting any move of your body. 360-degree revolving function shapes an elegant "dancer" out of you.

Imported Material, Natural Comfort

The pure wool is imported from Denmark.
The breathing woven material is resilient and crease-free.

Tipsy in UD, a kind of life attitude, a casual state of life.

Space smiles to you with colors, while the fabric shows spirit within a touch

UC RELAX YOUR BODY AND MIND

C-shaped UC is like a swing. Sitting on it, your body and mind become fully relaxed.

Simplistic Style

Decorated with leather finish on its upper part, the steel-frame leg fully explains "less is more". Thin leather sofa back paired with thick sofa cushion fabric: the beauty of different layers is created effortlessly. Clean and neat, UC brings a simplistic feeling.

Three-proofing: Say Goodbye to Stains

Coffee stain is a headache for cleaning, but don't worry, UC adopts American nanotechnology fabric, which has passed strict tests on water-proof, antifouling, and grease-proof functionality. Stains will no longer exist with a gentle wipe.

Punch out, say goodbye to all work stress, and sit in UC with books in your hand, oh, what a wonderful day!

Effort pays. Put time and energy into discussion and negotiation to obtain a conclusion, and leisure after is an extra treat.

WELCOME
A CHANGE
OF
SPACE

POETIC LEISURE VIEW.

"Integrate design with human nature and create carefree spaces. Always follow your heart."

— ITO
Start in 1987

La La Land

Alongside the coastline, waves battered the rock, seagulls hovered around, two fin whales frolicked in the distance and a sailing boat loomed up out of the fog... Designers of ITO incorporate the sailing boat into the design and use the sail as the mainframe and cobblestone as the base. Inheriting the wisdom of raising sails and lowering sails, a flip sofa comes into being, bringing you into a La La Land the moment you sink into it.

PRACTICAL CREATIVE

Storage base at your disposal

Revising plans in the waiting hall is quite normal for employees. 550*650*300mm storage space is as large as the base of the ship, admitting your books and backpacks easily.

UF brings nature to your office and enables you to be immersed in the poetic coastal views. It naturally accommodates most public spaces and creates a La La Land in this bustling world. Holding a book and taking a sip of tea, you can enjoy a relaxing moment here.

NATURAL UF

Enjoy a wonderful moment!

ARTICLE

UF 01

Hey, open your mind!

Feel lethargic and long for fresh ideas?
Why not have a date with UF?
With the "sail" raised, take a breath and meditate;
With the "sail" lowered, exchange ideas with partners.

Designed by: ITO + SUNON

Whoa! Let's flip it!

Private talks? Heated discussions?
UF can always meet your needs.
Holding the handle, you can flip the screen
easily, giving yourself a rest after vigorous
debates.

Join us! Roam from now!

Invisible casters enable smooth movements without
even the slightest traces.

Sound-absorbing safe haven

UF knows what you want. The sail-shape screen gives you semi-open protection, while polyester fiber brings a great sound-absorbing performance.

Formaldehyde-free

Recyclable

Fire-resistant

Sound-absorbing

Mold-proof

Enjoy the poetic beauty of nature and get along with it harmoniously. The screen is made of polyester fiber, natural, eco-friendly, and recyclable.

Note: the above sound-absorbing date is calculated based on GB/T 1673:1997.

Aspire to learn more and display a genteel manner. There are lucid waters and lush mountains deep in the heart. A poetic space brings an influx of brilliant ideas. Take UF, and join us now!

UF

Start a cozy and carefree life!
